**Production and sale of plywood
decorative forms**

When you choose “Buratini” plywood forms – you choose the quality! The fact of having our own manufacturing facilities allows us to permanently extend the range of plywood forms, reacting to the market requests. All of our plywood forms for decor are made by well-experienced professionals. We carefully control products quality and ensure safety of all our plywood forms.

Well, do you fancy starting to create something? Where to begin? You can begin with choosing a decor form that allows to create inimitable items that are amazing in their beauty and individuality.

Assembly forms

Woodworks will not only decorate your interior, but will serve you as an accessory in everyday life.

Fret work

Fret plywood forms look beautiful and stylish. They will be perfectly suitable to the decoration of a room, kitchen and any type of decor. RTO product range offers different forms on supports as well as pendants of various thematic scopes.

You can decorate your interior with a fret form without resort to its painting. Fret forms can be in ideal harmony with interior objects such as imitative candles, paintings and others. If desired, you can paint a form, glue paper or fabric applications on it as well as stick on it different sparkles or paillettes. Refined fretted decor is quite plentiful and the decoration of such forms will be fairly minimal.

Organizers

“Buratini” would like to present different organizers and bobbins for yarn spooling. Organizers - wooden forms for the embroidery, could be also a nice decoration for needlewoman’s work table. You can always decorate a form at your discretion, if requested. Forms made specially for an organizer can be a simple decoration of your interior as well as an original gift to your handicrafts mate. Just get creative!

Forms with applied design for colouring – as a good antistress

Colouring – an activity not only for children, as it can be quite useful for the adult audience too. Having a health-giving and relaxing effect, it brings pleasure to people all over the world.

Concentrating on a specific task and allowing to immerse yourself in the atmosphere of the creativity total freedom, you will soon experience the relaxation of your body and mind. Adults and children will find our product designs interesting for colouring. Simplicity of colouring with no rules and instructions will give you an imagination wide.

Forms for colouring and decoupage

Plywood is the most favorite and popular material for decoupage, painting and other types of decoration. It perfectly combines the plasticity of forms and lines as well as the artistic expression. It is the lightest work material that is absolutely applicable to different types of décor.

“Buratini” range also offers such forms as pendants, supports, round forms, carving boards and decorative forms. High quality of plywood material and its processing will allow you to reach a maximum effect of decor and bring joy to those around you. Choosing a form form and design, you can implement all of your brightest creative fantasies: painting, decorating with mosaic, paillettes, bands or beads.

Plywood forms are perfect tools while working in the decoupage technique. Decoupage represents the art of objects decoration using the templates gluing technique with special effects. It is a good way to combine pleasant leisure and handicrafts as well as to decorate your home. Bead, mosaic and dot painting techniques will be an original methods of decor.
