

LET'S MAKE UP A FAIRY
TALE TOGETHER!

In a high castle with turrets,
with a hundred halls and thousands
of mirrors, the princess lived.

When she went into the garden,
beautiful flowers bloomed.

The princess was coquettish, like all the girls at her age.

Princess

*She believed in miracles
and made up fairy tales.*

... he is so beautiful, full of brilliant specks,
and his eyes are dark like the night sky
and he has a very kind look ...

... when you lay out the mosaic,
do not forget to make
a wish, unicorns help
good people

So much we want to decorate the things we normally use in our life. To make them special, bright and cozy.

As we spend most of our time with them: these are our smartphones, laptops, organizers and notebooks, our favorite pocket mirror.

or even our sneakers...

And our home where we live and create, the children's rooms where a little princess, young wizard or good fairy live, will turn into a fairy tale!

On the princess' birthday,
the king himself gave
her diamond painting sticker kits
by Collection D'Art
and a quarter
of the kingdom.
