

WHAT ARE DIAMOND PAINTINGS?

This type of creative work is also called diamond embroidery, paintings with sparkles. The principle of creating a diamond painting resembles a mosaic panel layout, and sparkles look like a mosaic.

You only need to stick sparkles according to the scheme, and you will get a wonderful result! As a gift, the ready-made picture will endlessly delight the owner and decorate the room. Designs of paintings are liked by both children and adults.

An amazing kit to create a shiny picture. The secret of brightness and colourfulness of the picture is in treated sparkles.

Partial sparkles inlay collection of diamond painting creates a pleasant mood with a beautiful bright background.
